

Vessel Type Short Supply / Survey / Lines / Standby

## Principal Particulars

Situation of wheelhouse	FWD
Length overall	23m
Beam	6m'
Clear Back Deck	11m x 6m
Draft	1.4m
Year built	1995
Builder	Image Marine Group WA
Hull type	Hard Chine
Stern type	Square
Hull material	Aluminium
Deck material	Aluminium
Electrical system	12, 24, 240, 400 volt
Fresh water capacity	2000 litres

## Performance

Fuel capacity	8,000 litres in four tanks
Cruise speed	22 knots @ 1900 rpm
Max speed	27 knots

## Cargo Capacities

Hold details	20 ton fwd hold, 3 ton freezer aft
--------------	------------------------------------

## Hydraulics

Hydraulics	Clutched from main engine gearbox, Capstan Hydraulic drum
------------	--

## Propulsion System

Main engine type	2 X MTU 12V183
HP	980 @ 2300 rpm
Reduction	2:1
Prop dimensions	4 blade
Auxiliary engine	Kubota
Auxiliary engine drives	27 KVA Genset

## Accommodation

Accommodation	13 berth
Toilet / Shower	Yes

## Radio and Navigation Equipment

VHF	GME GX558A
SSB	Codan 9390
Sounder	Furuno FCV292
Compass	Yes
Radar	JRC JMA 3253 48 mile
Autopilot	Saura
GPS	1 – Furuno GP500

## Miscellaneous

FRC	Yes - 6 Man with 50hp Out Board
Deck Crane	PK10,000
Fire extinguisher	To survey
Anchors	To survey
Liferaft	2 of
